Love Me

The 1975

Hey! Would you like to look outside sometimes?
No! I'm just with my friends online and there's things we'd like to change!
Next thing you'll find you're reading about yourself on a plane (fame!)
What a shame! Oh well, just keep looking, looking, looking...And love me (yeah)
If that's what you wanna do (oh, yeah)
And love me (yeah)
If that's what you wanna do (oh, yeah)You've been reading about yourself on a plane, fame for a change
Caught up in fashion, Karcrashian panache
And a bag of bash for passion
You've got a beautiful face but got nothing to say (oh)
"You look famous, let's be friends and portray we possess something important"
& do the things we like"We've just come to represent a decline in the standards of what we accept!"
Yeah?!... Yeah?!?....Yeah!?!?... NoAnd love me (yeah)
If that's what you wanna do (oh, yeah)
And love me (yeah)
If that's what you wanna do (oh, yeah)Oh so sack off your calendar (give it to the people!)
Be the man that gets them up on their feetAnd love me (yeah)
And love me (yeah)
If that's what you wanna do (oh, yeah)
