Love's Gone Bad

Chris Clark

Ah I feel a pounding in my brain
Ice-cold water runnin' through my veins
Got a bad taste in my mouth from bitter tears
Heart so sad 'cause love's gone bad

I see a rainbow all in black
Must be a sign that you ain't comin' back
Wake up at night callin' your name
I see a face on my window pane
I've been this way since you've been gone
Without your love I can't go on
Look in the mirror, what do I see?
A cryin' face, kinda looks like me
Now where's the love you promised me?
Where's he tenderness to comfort me?

Everytime some love I choose
I seem to always be the one to lose
Bad taste in my mouth from bitter tears
Heart fells sad 'cause love's gone bad
Love's gone bad, heart fells bad

Black crows flying up above
It's a sign that I live life without love
signs on the man, signs on the sea
signs everywhere I said I'm destined to be
And this world where nothing's right
Since you've been gone I can't sleep at night
You said you'd be true to me
Instead you made a fool out of me
Heart feels sad, love's gone bad
