

Roof Garden

Al Jarreau

Does anyone wanna go
Waltzing in the garden?
Does anyone wanna go
Dance up on the roof? Does anyone wanna go
Waltzing in the garden?
Does anyone wanna go
Dance up on the roof? On the town
Sequins evening gown
Climb those stairs
To that ballroom in the air
Get to poppin.'
Chorus
If you dare
Dream of yesteryear
In the air
Do a step with Fred Astaire
Get your top hat Does anyone wanna go
Waltzing in the garden?
Does anyone wanna go
Dance up on the roof? You can be
What you want to be
Come waltz with me
Or a hot steppin' boogie
Funk in the pocket Does anyone wanna go
Waltzing in the garden?
Does anyone wanna go
Dance up on the roof? No one stays
In downtown these days
Country calls
Got us one and all
B'fore we end
Let me recommend
What to do
When your heart is light or blue
Get to steppin.' Does anyone wanna go
Waltzing in the garden?
Does anyone wanna go
Dance up on the roof?
