

# The Man in Me (The Big Lebowski)

**Bob Dylan**

La la la la  
La la la la  
La la la la  
La la la laThe man in me will do nearly any task  
And as for compensation, there's little he would ask  
Take a woman like you  
To get through to the man in meStorm clouds are raging all around my door  
I think to myself I might not take it any more  
Take a woman like your kind  
To find the man in meBut, oh, what a wonderful feeling  
Just to know that you are near  
Sets my a heart a-reeling  
From my toes up to my earsThe man in me will hide sometimes to keep from bein' seen  
But that's just because he doesn't want turn into some machine  
Took a woman like you  
To get through to the man in meLa la la la  
La la la la
