

Are You Satisfied?

Marina & the Diamonds

I was pulling out my hair
The day I cut the deal
Chemically calm
Was I meant to feel happy?
But my life was just about to change

One life pretending to be
The cat who got the cream
Oh, everybody said
"Marina is a dreamer"
People like to tell you what you're gonna be
It's not my problem if you don't see what I see
And I do not give a damn if you don't believe
My problem is my problem
That I never am happy
It's my problem, it's my problem
That I never will succeed

Are you satisfied with an average life?
Do I need to lie to make my way in life?

High achiever don't you see
Baby, nothing comes for free
They say I am a control freak
Driven a greed to succeed
Nobody can stop me

Cause it's my problem
If I want to pack up and run away
It's my business if I feel the need to
Smoke and drink and swear
It's my problem, it's my problem
If I feel the need to hide
And it's my problem if I have no friends
And feel I want to die

Are you satisfied with an average life?
Do I need to lie to make my way in life?
Are you satisfied with an average life?
Do I need to lie to make my way in life?

Are you satisfied with an easy ride?
Once you cross the line
Will you be satisfied?

Sad inside, in this life, unsatisfied, praying
Sad inside, in this life, unsatisfied, waiting

Are you satisfied with an average life
Do I need to fly to make my way in life

Are you satisfied with an easy ride
Once you cross the line
Will you be satisfied?

Are you satisfied?
Are you satisfied?
Are you satisfied?
Are you satisfied?
Are you satisfied?
Are you satisfied?
Are you satisfied?
Are you satisfied?
