

Atlas

COIN

Isn't it obvious, when my sheets are tangled up on the bedroom floor?
It's not that I'm bothered by my kitchen sink and whole much more
 Sleepless lonesome nights
 Haunted by due time
 Hope is dying for now
 Havent you heard?
 Atlas folds at the thought
 Of what he's just learned
 A chainmail will drop with one weak link
 Maybe we should talk before I speak
 Borrow thoughts from my bitter ends
 Blaming stars and monsoons
 Bended by the thought, Pompeii set us up
 Hope is dying for now
 Havent you heard?
 Atlas folds at the thought
 Of what he's just learned
 Hope is dying for now
 Havent you heard?
 Atlas wants a way out
 Before it gets worse
 Havent you heard?
 Havent you heard?
