# Corpse Bride

## Sinnergod

Every time I saw her face..no offense I thought she had just died
What the hell ya thinking?
All the fishes in the sea, you had to catch the one that had just died
What the hell ya thinking?!!There's something in the air tonight
The only one who didn't fight was you're wife
What the hell ya thinking?
Please take the time to tell me why you had to pick the one that had no life?I'm sorry i said I thought she was dead
I'm sure in you're mind she perfectly fine
I bet you think I'm crazy?
just hold up you're head, forget what i said
I'm sure she was fine when she had her time?
