

# Same Ole Me

George Jones

With time my face has wrinkled but my blue eyes still sparkle  
With the love I felt for you the day we met  
To me you're just as lovely as the first time I saw you  
Times have changed but our hearts haven't yet I'm still the same ole me loving the same sweet you  
Time hasn't withered our hearts  
And when our days are through I'll still be loving you  
Even death can't keep us apart These hands that once were steady have now begun to tremble  
But when they touch you the same old feeling's there  
But your smile is still as special as it was the day we married  
Years haven't changed the love we share I'm still the same ole me loving the same sweet you  
Time hasn't withered our hearts  
And when our days are through I'll still be loving you  
Even death can't keep us apart  
I'm still the same ole me loving the same sweet you
