Hello L.O.V.E.

Jonny Diaz

Tore out her page from my little book
Took out her picture, gave it one last look
Hung a big sign out on the door
Sayin' love don't live around here anymorePicked up what was left of my pride
Topped off the tank for a long hard ride
Seventeen miles outta Lonely ville
Yonder came a darlin' in a coupe devilleSo long heartache, adios
Sorrow, see you later, time to hit the road
Goodbye pain and misery
Hello L O V E, oh yeahWell I spun around and I hit the gas
Hot on the tail of that Cadillac
Said a little prayer, held my breath
Sure 'nough the green light turned to redSo long heartache, adios
Sorrow, see you later, time to hit the road
Goodbye pain and misery
Hello L O V E, oh ohShe looked at me, I looked at her
A few days later in a little brown church
Made a sweet deal with the justice of the peace
Forty-five dollars for a license and a ringSo long heartache, adios
Sorrow, see you later, time to hit the road
Goodbye pain and misery
Hello L O, hello L O, hello L O V E, oh yeah
