

# Come Out And Play (keep em seperated)

## The Offspring

You gotta keep em separated

Like the latest fashion

Like a spreading disease

The kids are strappin on their way to the classroom

Gettin weapons with the greateest of ease

The gangs stake out their own campus locale

And if they catch you slippin then it's all over pal

If one guy's colors and the other's don't mix

They're gonna bash it up, bash it up, bash it up, bash it up

Hey man you talkin back to me

Take him out

You gotta keep em separated

Hey man you disrespectin me

Take him out

You gotta keep em separated

Hey they don't pay no mind

If you're under 18 you won't be doin any time

Hey come out and play

By the time you hear the siren

It's already to late

One goes to the morgue and the other jail

One guy's wasted and the other's a waist

He goes down the same as a thousand before

No one's gettin smarter

No one's learnin the score

Your never ending spree of death and violence and hate

Is gonna tie your own rope, tie your own rope, tie your own

Hey man you disrespectin me

Take him out

You gotta keep em separated

Hey man you talkin back to me

Take him out

You gotta keep em separated

Hey they don't pay no mind

If you're under 18 you won't be doin any time

Hey come out and play

It goed down the same as a thousand before

No one's gettin smarter

No one's learnin the score

Your never ending spree of death and violence and hate

Is gonna tie your own rope, tie your own rope, tie your own

Hey man you talkin back to me

Take him out

You gotta keep em separated

Hey man you disrespectin me

Take him out

You gotta keep em separated

Hey they don't pay no mind

If you're under 18 you won't be doin any time

Hey come out and play
