THE FLAME

ã‚±ã‚¤ã‚³»ãƪãƼ

Another night slowly closes in
And I feel so lonely
Touching heat freezes on my skin
I pretend you still hold me
I'm going crazy, I'm losing sleep
I'm in too far, I'm in way too deep
Over you- I can't believe you're gone
You were the first, you'll be the last
Wherever you go I'll be with you
Whatever you want I'll give it to you
Whenever you need someone
To lay your heart and head upon
Remember after the fire, after all the rain
I will be the flame
I will be the flame
Watching shadows move across the wall
Feels so frightening
I wanna run to you, I wanna call
But I've been hit by lightening
Just can stand up for falling apart
Can't see through this veil across my heart
Over you- you'll always be the one
You were the first, you'll be the last

Wherever you go I'll be with you
Whatever you want I'll give it to you
Whenever you need someone
To lay your heart and head upon
Remember after the fire, after all the rain
I will be the flame
I will be the flame
I'm going crazy, I'm losing sleep
I'm in too far, I'm in way too deep
Over you- I can't believe you're gone
You were the first, you'll be the last
you were the first, you'll be the last
Wherever you go I'll be with you
Whatever you want I'll give it to you
Whenever you need someone

To lay your heart and head upon
Remember after the fire, after all the rain
I will be the flame
I will be the flame
Wherever you go I'll be with you
(I will be the flame)
Whatever you want I'll give it to you
(I will be the flame)
