South Seas

MÃ©nage Ã Trois

I wanna go cruisin
sightsees
and no one around me
except you, baby
yeah you

I donâ€™t wanna go loosin'
you baby
Have anyone around me
except you, baby
yeah you

Just give me the day
give me the night
show some love
and make you feel all right x2

wanna go cruisin
sightsees
with my baby next to me
cruisin
sightsees
my baby, baby, next to me

I donâ€™t wanna go loosin'
baby, have anyone, around me,
except you, baby
yeah you

Just give me the day
give me the night
show some love
and make youâ€™ll feel alright x2

wanna go cruisin
sightsees
with my baby next to me
cruisin
sightsees

my baby, my baby, next to me

I wanna be with you in
New York
LA
San Fran
And Santa Fe
Be with you in Kinstown
Tokyo
Rio
?
Be with you in Mexico, City
Paris
And Sydney
Be with you everywhere
tonight, everythingâ€™s gonna be alright

Just give me the day
give me the night
show some love
and make youâ€™ll feel alright

wanna go cruisin
sightsees
with my baby next to me
cruisin
sightsees
with my baby, my baby, next to me
