I Want To Hear It From You

Go West

Baby when you need me
Wintertime or anytime at all
I'll be right there for you
Be right there whenever you call
And i say baby i'm addicted
I'm addicted to your love
I love you more and more
More and more than all the stars above
And i say boy i love the way you walk
And i say boy even when you talk
You rock my world
Feel so good to me
Don't you know that you're my fantasy
Want - i want your lovin'
Need - i need ya
Want - i want your lovin'
Need - i need ya
Can't ya see
Your love is good for me
Baby when you need me
Wintertime or anytime at all
I'll be right there for you
Be right there whenever you call
And i say baby you can do it
You know how to love me, love me right
You know just what to do
Know just how to fill my appetite
