Better Than This

Ross Lynch

I said, "Don't go"
I said, "Don't leave"
But you wasted all my time
Pretending you were mine
It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this
It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this
So I said, "Screw it, eh, eh"
I said, "Hold on"
You said, "Something's wrong"
And you wasted all your lies
I thought we were fine
It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this
It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this
And it's been a while
I'm still on fire, I'm not tiring
You're just a liar
I'm just a buyer of your badness
It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this
It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better
It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this
It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this
It ain't getting better, better than this
It ain't getting better, better than this

It ain't getting better, better than this
It ain't getting better, better than this
Better, better than this
