

I Believe In Rock 'n' Roll

Twisted Sister

Oh yeah, check it out
I pledge allegiance to the flag of the United States of Rock
And to the point of view for which it stands
One music under one God yes, even God loves rock 'n' roll
With liberty and justice for all lands
Every day, I work so hard
Every day, I'm dealt the cards
Every day, I'm told exactly what to do
Every day, I lose control
Every day, I rock 'n' roll
Every day, it's gonna help to see me through
I believe in rock 'n' roll
I believe in rock 'n' roll
I believe in rock 'n' roll
I believe in rock 'n' roll
Do you take this music to be your lawfully wedded rock
To have and hold in sickness and in health
For richer or for poorer, for better or for worse
Together until death comes to yourself?
Every day, I work so hard
Every day, I'm dealt the cards
Every day, I'm told exactly what to do
Every day, I lose control
Every day, I rock 'n' roll

Every day, it's gonna help to see me through
I believe in rock 'n' roll
I believe in rock 'n' roll
I believe in rock 'n' roll
I believe in rock 'n' roll
Sister says, 'Oh, would that my words were written down
Would that they were inscribed on a record
That with an Iron Fist and Led Zeppelin
They were cut in the rock forever
But as for me, I know that heavy metal lives
And that it will at last stand forth upon the dust
That I myself shall see
My own ears not another's shall behold it
And from my flesh I shall see it rock

My inmost being is consumed with longing

This is the word of the rocker?

I believe in rock 'n' roll

I believe in rock 'n' roll

I believe in rock 'n' roll

I believe in rock 'n' roll

I believe in rock 'n' roll

I believe in rock 'n' roll

I believe in rock 'n' roll

I believe in rock 'n' roll
