

Mistletoe and Holly

KIDZ BOP Kids

Oh, by gosh, by golly
It's time for mistletoe and holly
Tasty pheasants, Christmas presents
Countrysides covered with snow Oh, by gosh, by jingle
It's time for carols and Kris Kringle
Overeating, merry greetings
From relatives you don't know Then comes that big night
Giving the tree the trim
You'll hear voices by starlight
Singing a Yuletide hymn Oh, by gosh, by golly
It's time for mistletoe and holly
Fancy ties an' granny's pies
An' folks stealin' a kiss or two
As they whisper, "Merry Christmas" to you Then comes that big night
Giving the tree the trim
You'll hear voices by starlight
Singing a Yuletide hymn Oh, by gosh, by golly
It's time for mistletoe and holly
Fancy ties an' granny's pies
An' folks stealin' a kiss or two
As they whisper, "Merry Christmas" to you
