

Don't Explain

Cat Power

Hush now, don't explain
You're the cause of all my trouble and pain
Unless you're mine don't explain My love, my love, my love don't explain
There is nothing with me not to gain
You know that I love you Look at what lovin' has done
All my thoughts were real and so sincere
I was so completely yours You know, I hear folks cha-cha-chatter
And I know you cheat
Right or wrong right now doesn't matter You're here with me, sit down, have a seat
It's your time to feel the pain
It's your time to reel, don't explain Hush now, don't explain
There is nothing with me now to gain
I'm gonna skip [Incomprehensible]
Don't explain, don't explain
