Albert Hammond Jr.

Man, you had me fooled
What I thought was sweet was so rude, now
You can see all them words
Cause such a [Incomprehensible] What you are is a problem
No, and you wont change me
Cause Ill never go
No, I never know Chocolate covered sheets
More than [Incomprehensible]
That was once homemade
Well now, I know I cant be saved by you You and I wont have to go
And all my dreams
Are a part of you now
Theyre a part of you now
