

You're Ok

Ottawa

You're O.K.

you're smart

you're in

...I've got so many problems
my life is such a mess
I need some tender lovin'
just give me your address.

You've got so many problems
Your life is such a mess
But if you start complaining
No girl's gonna say: yes

You're O.K.

you're smart

you're in

...Yes I know
yes I know

I'm a supergirl

And I love to be with you

You've got a style and your smile means the world to me

But I won't marry you
Well
you can call me after eight

Hot number 31024

If you should care to go

To the midnight show

And if you're still in shape

Together we could taste

The greatest strawberry sunday on the Camps-Elysees

You're O.K.

you're smart

you're in

...It's easier together

than being all alone

Life can be much better
when you're not on your own

It's easier together
than being alone

But when love is all what matters you're feelin' like a clown. You're O.K.

you're smart

you're in

...Yes I know
yes I know
I'm a supergirl

...

You stay up sitting there
lonely as can be
Better dance for me
better sing with me You're O.K.
you're smart
you're in

...
