# Apocalyptic Armageddon

## Centinex

[Music: Schulman]
[Lyrics: Schulman]The triumph of death
Like a spell of mayhem it prevails
Sent to destroy
The Holy sacred feeble light
Devastating warlust
Follow the crusade against life
A violent kingdom
Where the dreams are raped with bloodArmageddon, revelation, Armageddon 666
The masters of terror reign further with blasphemyGlorious destruction
Warriors of deadly freezing steel
It's time for war
It's time to unleash the final fire
Blasphemic beasts
Towards the silent morbid throne
Millennium chaos
Malice of the flesh raging nearArmageddon, revelation, Armageddon 666
The masters of terror reign further with blasphemyThe endless plague - a conspiracy of lust and death
Dominion - no sign of light
The hell has arrivedDevil's force - among division holocaust
A crescent flame - sings those dreams far away
No retreat - the new glorious age is here
The apocalypse - the jaws of the infernal antichrist[Lead: Kjellgren]Armageddon, revelation, Armageddon 666
The masters of terror reign further with blasphemy2. Seeds of Evil[Music: Wiklund]
[Lyrics: Jansson & Schulman][Lead: Wiklund]
[Lead: Kjellgren]On my way through the past
With guidance of the dead
Abandoned to the dark
With my demons of lustI am the son of evil, born of hate and greedI am the master starving for your blood
I am the chaosbreeder in my seeds of evilI live forever in the dark
With whores by my side
Surrounded by demons
In my hellish domainI am the son of darkness, born of hate and greedI am the master starving for your blood
I am the chaosbreeder in my seeds of evilSeeds of evil breeding your sins[Lead: Wiklund]
[Lead: Kjellgren]Feeble souls of eternal hate - forbidden sins in crimson blood
Morbid lusts of bleeding hearts - immortal art: Anno SataniOn my way through the past
With guidance of the dead
Abandoned to the dark
With my demons of lustI am the son of evil, born of hate and greedI am the master starving for your blood

I am the chaosbreeder in my seeds of evilFeeble souls of eternal hate - forbidden sins in crimson blood
Morbid lusts of bleeding hearts - immortal art: Anno Satani3. Everlasting Bloodshed[Music: Kjellgren]
[Lyrics: Schulman ]For mighty misery and anger
With violence, fire and pain
The dawn of crusade chaos
Infernal - Eternal
The light of your existence
Is crashed to bleeding pieces
Your dreams of glory
Desecrated - DevastatedI have opened the gates
Now your soul is mine
In everlasting bloodshed
Your kingdom is goneThe blade of stormy hatred
A wind of total darkness
The triumph of hellish murder
Monumental - Dominion
A hellcult with demons
Embrace the swords of carnage
Forgiveness, entangled
Forever - BlasphemyI have opened the gates
Now your soul is mine
In everlasting bloodshed
Your kingdom is goneYour spirit is forgotten and dead
Almighty devil ripped your flesh away
I am the bringer of torture and hate
I spread my burning neverending shade[Lead: Wiklund]For mighty misery and anger
With violence, force and pain
The dawn of cursed chaos
Infernal - Eternal
The light of your existence
Is crashed to bleeding pieces
Your dreams of glory
Desecrated - DevastatedI have opened the gates
Now your soul is mine
In everlasting bloodshed
Your kingdom is gone
