

Apocalyptic Armageddon

Centinex

[Music: Schulman]

[Lyrics: Schulman]The triumph of death

Like a spell of mayhem it prevails

Sent to destroy

The Holy sacred feeble light

Devastating warlust

Follow the crusade against life

A violent kingdom

Where the dreams are raped with bloodArmageddon, revelation, Armageddon 666

The masters of terror reign further with blasphemyGlorious destruction

Warriors of deadly freezing steel

It's time for war

It's time to unleash the final fire

Blasphemic beasts

Towards the silent morbid throne

Millennium chaos

Malice of the flesh raging nearArmageddon, revelation, Armageddon 666

The masters of terror reign further with blasphemyThe endless plague - a conspiracy of lust and death

Dominion - no sign of light

The hell has arrivedDevil's force - among division holocaust

A crescent flame - sings those dreams far away

No retreat - the new glorious age is here

The apocalypse - the jaws of the infernal antichrist[Lead: Kjellgren]Armageddon, revelation, Armageddon 666

The masters of terror reign further with blasphemy2. Seeds of Evil[Music: Wiklund]

[Lyrics: Jansson & Schulman][Lead: Wiklund]

[Lead: Kjellgren]On my way through the past

With guidance of the dead

Abandoned to the dark

With my demons of lustI am the son of evil, born of hate and greedI am the master starving for your blood

I am the chaosbreeder in my seeds of evilI live forever in the dark

With whores by my side

Surrounded by demons

In my hellish domainI am the son of darkness, born of hate and greedI am the master starving for your blood

I am the chaosbreeder in my seeds of evilSeeds of evil breeding your sins[Lead: Wiklund]

[Lead: Kjellgren]Feeble souls of eternal hate - forbidden sins in crimson blood

Morbid lusts of bleeding hearts - immortal art: Anno SataniOn my way through the past

With guidance of the dead

Abandoned to the dark

With my demons of lustI am the son of evil, born of hate and greedI am the master starving for your blood

I am the chaosbreeder in my seeds of evil
Feeble souls of eternal hate - forbidden sins in crimson blood
Morbid lusts of bleeding hearts - immortal art: Anno Satani3. Everlasting Bloodshed[Music: Kjellgren]

[Lyrics: Schulman]For mighty misery and anger

With violence, fire and pain

The dawn of crusade chaos

Infernal - Eternal

The light of your existence

Is crashed to bleeding pieces

Your dreams of glory

Desecrated - DevastatedI have opened the gates

Now your soul is mine

In everlasting bloodshed

Your kingdom is goneThe blade of stormy hatred

A wind of total darkness

The triumph of hellish murder

Monumental - Dominion

A hellcult with demons

Embrace the swords of carnage

Forgiveness, entangled

Forever - BlasphemyI have opened the gates

Now your soul is mine

In everlasting bloodshed

Your kingdom is goneYour spirit is forgotten and dead

Almighty devil ripped your flesh away

I am the bringer of torture and hate

I spread my burning neverending shade[Lead: Wiklund]For mighty misery and anger

With violence, force and pain

The dawn of cursed chaos

Infernal - Eternal

The light of your existence

Is crashed to bleeding pieces

Your dreams of glory

Desecrated - DevastatedI have opened the gates

Now your soul is mine

In everlasting bloodshed

Your kingdom is gone
