Advisory - the following lyrics contain explicit language:

I'm up 24 hours, money and the power
Stuntin' on the hoes and I'm shittin' on the cowards
I'm 24 hours
I'm up 24 hours
I'm up 24 hours
No shit, shave or shower,
Until I get my money back,
I gotta get my money up,
I'm 24 hours
I'm up 24 hours Damn, it's a good day
Damn, it's a good day
Call Drummer Boy and told let's go make a hood tape,
First thing I'mma do, pull out my seven four,
Candy coated black thang sittin' on them Forgio
24 tower, eight bricks of powder, ten bells of dro,
What I payed for the flour,
Don't talk about my Lambo, talk about my Rarri,
Talk about my Phantom, or talk about my Harley,
BrickSquad Bikerboys Angel name Charlie,
Goons goin' physco,
White boy gnarley
Every 24 second passing me da marley,
Lame tryna diss don't effect me hardly I'm up 24 hours money and the power,
Stuntin' on the hoes and I'm shittin' on the cowards,
I'm 24 hours
I'm up 24 hours
I'm up 24 hours
No shit, shave or shower,
Until I get my money back,
I gotta get my money up, I'm 24 hours
I'm up 24 hours
Its Gucci I'm going to the bank again makin' anotha' deposit,

It's getting kinda chilly, bring my minx up out da closet,
Getting kinda warm bring my jewelry out da safe,
If it be a problem put da hater in his place!
Slicker than an oil spill, sharper than an razor,
I'm screaming anybody get it like my nigga Major!
Finna cop a condo an' fill it fulla' ammo,
BrickSquad bandana on think I'm fuckin' Rambo,
It's Gucci! I'mma killa, so don't push me,
BrickSquad ain't no pussy niggas runnin' wit' dem wig splitters,
Niggas screaming roll one Gucci let me hold somethin'
But I can't let cha hold none I hit cha wit' da whole drum I'm up 24 hours money and the power,
Stuntin' on the hoes and I'm shittin' on the cowards,
I'm 24 hours
I'm up 24 hours
I'm up 24 hours
No shit, shave or shower, until I get my money back,
I gotta get my money up,
I'm 24 hours
I'm up 24 hours I'm fucking with the white girl you can call me Ice-T,
'Cause I got my Christians on you can call 'em Spike Lee,
Robbing me unlikely last try dropped dem
Hollow tips stop dem I ain't have time to box him,
Stuntin' like an actor, running like an athlete,
Straight to the money like a sprinter at a track meet,
First sign Waka, then I sign Gucci,
Then I sign BrickSquad tell 'em come an sue me I'm up 24 hours money and the power,
Stuntin' on the hoes and I'm shittin' on the cowards,
I'm 24 hours
I'm up 24 hours
I'm up 24 hours
No shit, shave or shower, until I get my money back,
I gotta get my money up,
I'm 24 hours
I'm up 24 hours I'm up 24 hours money and the power,
Stuntin' on the hoes and I'm shittin' on the cowards,
I'm 24 hours
I'm up 24 hours
I'm up 24 hours
No shit, shave or shower, until I get my money back,
I gotta get my money up, I'm 24 hours
I'm up 24 hours
