

My Life's a Dream

Atwater Men's Club

Am I just dreaming?
Or is this happening?
I'm so afraid I might wake upWhat is this feeling
That's coming over me?
Something like this I can't make upAll of a sudden
It's crystal clear
Started from nothing
And now I'm hereOh oh oh
Oh oh oh
Oh oh oh
That's all I know
My life's a dreamIt's amazing
Everything's happening
Can't close my eyes I must stay upAnd this is crazy
That this could come to me
So take my hand on my way upAll of a sudden
It's crystal clear
Started from nothing
And now I'm hereOh oh oh
Oh oh oh
Oh oh oh
That's all I know
My life's a dreamOh, I can't believe what is happening to me
It may not be real but I want it to be
I won't say I don't have reason to doubt
But I'd rather take the chance that this is real than live my life withoutOh oh oh
Oh oh oh
Oh oh oh
That's all I know
My life's a dreamAm I just dreaming?
Or is this happening?
I'm so afraid I might wake upWhat is this feeling
That's coming over me?
Something like this I can't make upMy life's a dream
