

# Crown Of Thorns

## Sinner

Does it really matter when it feels so good?  
I don't really wanna walk away  
But I don't walk through the fire again  
And if it hurts, I call it a day I'm gonna give all if you catch my fall  
Time and space and nothing at all I throw away my crown of thorns  
And if you call my name I'll be there If I hear your voice, I couldn't regret  
There's something different about you  
Now and forever, you always will be there  
I can't let you go forever I'm gonna give all if you catch my fall  
Time and space and nothing at all I throw away my crown of thorns  
And if you call my name I'll be there Still we run, my pride is gone  
I'm standing alone and I bleed I throw away my crown of thorns  
And if you call my name I'll be there I throw away my crown of thorns  
And if you call my name I'll be there
