Grapes

Second Come

I'll see you foreverChorus
Every time you look my way
I just have to get up and say I love you
I love you
Forever and ever and ever
I can't know why you have left me
Standing all alone, heyEvery time you look my way
I just have to get up and say
I love you
Every time you look my way
I just have to get up and say I love you
I'll be waitingChorus
