

# This Time of Year

## Master & Commander

Well there's a feelin' in the air  
Just like a Friday afternoon  
Yeah you can go there if you want  
Though it fades too soon  
So go on, let it be

If there's a feelin' coming over me  
Seems like it's always understood this time of year  
Well I know there's a reason to change  
Well I know there's a time for us

Think about the good times and you live with all the bad  
You can feel it in the air  
Feelin' right this time of year  
Well there's a football in the air  
Across the leaf-blown field  
Yeah, and there's your first car on the road  
And the girl you steal  
So go on, if you fell

If there's a feelin' that there's somethin' else  
Seems like it's always understood this time of year  
Well I know there's a reason to change (this time of year)  
Yeah I know there's a time for us (this time of year)  
Think about the good times but you live with all the bad (this time of year)

You can feel it in the air  
Feelin' right this time of year  
Well there's a feelin' in the air  
Just like a Friday afternoon  
Yeah you can go there if you want  
Thought it fades too soon  
So go on, let it be

If there's a feelin' comin' over me  
Seems like it's always understood this time of year  
Well I know there's a reason to change (this time of year)  
Yeah I know there's a time for us (this time of year)  
Ya think about the good times, and you live with all the bad (this time of year)

You can feel it in the air  
Feel it in the air  
Yeah I can feel it in the air  
Well I can feel it in the air  
Yeah you can feel it in the air  
Feelin' right this time of year
