Earth Angel

The Four Seasons

Earth angel, earth angel
Will you be mine
My darling dear
Love me all the time
I'm just a fool
(just a fool)
A fool in love, with you
Earth angel, earth angel
The one I adore
Lovely for ever and ever more
(I'm just a fool)
I'm just a fool
(oh what a fool)
A fool in love with you
Yes in love with you

I fell for you
And I knew
The vision of my love's loveliness
I hope and I pray
that some day
I'll be the vision
(vision)
The vision of your happiness

Angel my darling
Last night I fell in love with a little piece of heaven on Earth
It was you
The way you walk, the way you talk
The way you bat your eye lids as I pull up in my open-top Chevy
I don't know what I'd do without you
Earth Angel I will never let you go

Angel of angels
Earth angel, oh

Earth angel, earth angel
Will you be mine
My darling dear
Love me all the time

(I'm just a fool)
I'm just a fool
(Oh what a fool)
A fool in love with you

Oh, my love
I'm just a fool
(Just a fool)
A fool in love
With
You
Fool in love with you
