

# Still I'm Sad

## Ritchie Blackmore's Rainbow

See the stars come falling down from the sky  
Gently passing they kiss your tears that you cry  
See the wind come softly blow your hair from your face  
And the rain comes falling down in its crazy ways  
Still I'm sad  
Still I'm sad  
For myself my tears just fall in the dust  
Day will dry them and night will find they're lost  
See the wind come softly blow time into my heart  
And the rain comes falling down while we're apart  
Still I'm sad

Still I'm sad  
See the stars come falling down from the sky  
Gently passing they kiss your tears that you cry  
See the wind come softly blow your hair from your face  
And the rain comes falling down in its crazy ways  
I'm so sad  
I'm so sad

But still I'm sad  
Feeling so sad  
Feeling so bad  
You're making me sad  
Making me bad  
I'm sad
