God Is Alive, Magic Is Afoot

Buffy Sainte-Marie

God is alive, magic is afoot

God is alive, magic is afoot

God is afoot, magic is alive

Alive is afoot, magic never diedGod never sickened

Many poor men lied

Many sick men lied

Magic never weakenedMagic never hid

Magic always ruled

God is afoot

God never diedGod was ruler

Though his funeral lengthened

Though his mourners thickened

Magic never fledThough his shrouds were hoisted

The naked God did live

Though his words were twisted

The naked magic thrivedThough his death was published

Round and round the world

The heart did not believe Many hurt men wondered

Many struck men bled

Magic never faltered

Magic always ledMany stones were rolled

But God would not lie down

Many wild men lied

Many fat men listenedThough they offered stones

Magic still was fed

Though they locked their coffers

God was always servedMagic is afoot, God rules

Alive is afoot, alive is in command

Many weak men hungered

Many strong men thrivedThough they boasted solitude

God was at their side

Nor the dreamer in his cell

Nor the captain on the hillMagic is alive

Though his death was pardoned

Round and round the world

The heart did not believe Though laws were carved in marble

They could not shelter men

Though altars built in parliaments

They could not order menPolice arrested magic

And magic went with them
For magic loves the hungryBut magic would not tarry

It moves from arm to arm

It would not stay with them

Magic is afootIt cannot come to harm

It rests in an empty palm

It spawns in an empty mind

But magic is no instrument

Magic is the endMany men drove magic

But Magic stayed behind

Many strong men lied

They only passed through magicAnd out the other side

Many weak men lied

They came to God in secret

And though they left him nourished They would not say who healed

Though mountains danced before them

They said that God was dead

Though his shrouds were hoisted

The naked God did liveThis I mean to whisper to my mind

This I mean to laugh with in my mind

This I mean my mind to serve 'til

Service is but magicMoving through the world

And mind itself is magic

Coursing through the flesh

And flesh itself is magicDancing on a clock

And time itself

The magic length of God
