Only One

Perry Como

Only One can make the valley deep
The mountain high, the oak tree strong
Only One can bless us while we sleep
And give us faith to keep
To keep our whole life longOnly One can hear each prayer we say
And pray that we might learn His way
So has it always been, so shall it always be
As long as we believe in only OneOnly one can make the valley deep
The mountain high, the oak tree strong
Only one can bless us while we sleep
And give us faith to keep
To keep our whole life longRich or poor, no matter who we are
We all are one to only One
So has it always been, so shall it always be
For all eternity, only One
