Dick

Guano Apes

Don't say a word
Your love is like a symphony
Brave as you dare
It's nothing but your game
I'll take off your shoes
To pull you up in extasy
Hide and to lose

That's why I'll force you to Move back a step (step)

Go back a step

Comon' you shout

(3x)Move back a step (step)

Move your head like thatDick!!!!!!! oh dick!!!!!!

Gotta go

Dick!!!!!!!! yeah yeah come!Now it's time to live your fantasies

(yeah yeah)

And you know we have a new concept

To turn the kind of lust in penalty

Just look what I doMove back a step (step)

Go back a step

Comon' you shout

(3x)Move back a step (step)

Move your head like thatDick!!!!!!! oh dick!!!!!!

Gotta go

Dick!!!!!!!! yeah yeah come!
