In Distortion

Cadaver

In pains, and sorrow
Stay life the same, tomorrow?Depression, grows deep
I'm buried, beneathI am the world in one
Anger, suffer pain and sorrow
Expecting to reach a life beyond
Waiting paradise to comeI am the world in one
Anger, suffer pain and sorrow
Expecting to reach a life beyond
Waiting paradise to comeWhat do we really believe?
What is our purest emotion?
Are we happy with what we perceive?
Will it end all in chaotic distortion?In pains, and sorrow
Stay life the same, tomorrow?I cannot tell
I won't tell
I just don't know
I will not knowIf I knew,
What would I do?
I am the world in one
Until we all are gone
