

# Dark Night Rider

Ice MC

Dark night rider's riding through the night  
dark night rider's riding riding the  
dark night rider's riding through the night  
dark night rider's riding riding  
D.a.n.g.e.r.o.u.s. yes mi mus confess him cya  
tolerate di dibby who a big up di chest  
dark night rider come in like a sniper him a watch  
over you him could'a bite like a viper  
pupil small boom dat no good at all  
fly down pan you catch before you fall  
Watch out him a come criminal better run  
like Robin Hood not the sherriff of Nottingham  
dum dibby dum dum run come get some  
there's enough ina di bag fi everyone  
Superman Batman Spiderman sarf  
come ina di way dem head will get lik arf  
don't badda worry cah him always de'bout  
Dark night rider's riding through the night  
dark night rider's riding riding the  
dark night rider's riding through the night  
dark night rider's riding riding  
Bwyfrind a beat you dem you call fi di rider  
police attack you jussa barl fi di rider  
terror come you jussa holla fi di rider  
beat down di door an the man come inside  
wicked him wicked him wicked him na joke  
him just come pan di scene when a man a provoke  
wicked him wicked mi barl him a controller  
Dark night rider's riding through the night  
dark night rider's riding riding the  
dark night rider's riding through the night  
dark night rider's riding riding  
Dark night rider's riding through the night  
dark night rider's riding riding the  
dark night rider's riding through the night  
dark night rider's riding riding  
Dark night rider's riding through the night  
dark night rider's riding riding the  
dark night rider's riding through the night

dark night rider's riding riding  
Dark night rider's riding through the night  
dark night rider's riding riding the  
dark night rider's riding through the night  
dark night rider's riding riding
