

I Can't Wait

Luna

Maybe I was bad as the ones I hate
Maybe I was dumb but I can't wait
Maybe what you said is not so cool
Maybe what you did is just too cruelI can't tell what it takes
I can't wait for todayScary lookin' guys, walk down my street
Scary lookin' suits, I don't wanna meet
Maybe I was bad as the ones I hate
Maybe I was dumb but I can't waitI can't tell what it takes
I can't wait for today
