## **Rainbow In the Dark**

## Dio

When there's lightning, you know it always brings me down
'Cause it's free and I see that it's me
Who's lost and never found
I cry out for magic, I feel it dancing in the light
It was cold, I lost my hold
To the shadows of the nightNo sign of the morning coming
You've been left on your own
Like a rainbow in the dark
A rainbow in the darkDo your demons, do they ever let you go?
When you've tried, do they hide, deep inside
Is it someone that you know
You're just a picture, your're an image caught in time
We're a lie, you and I
We're words without a rhymeThere's no sign of the morning coming

You've been left on your own

Like a rainbow in the dark

Just a rainbow in the dark, yeahWhen I see lightning, you know it always brings me down 'Cause it's free and I see that it's me

Who's lost and never found

Feel the magic, I feel it floating in the air
But it's fear, and you'll hear
It calling you bewareLook out

There's no sight of the morning coming
There's no sight of the day
You've been left on your own
Like a rainbow

Like a rainbow in the dark, yeah
You're a rainbow in the dark
Just a rainbow in the dark
