Give Me A Reason

Three Days Grace

Oh, Oh, oh
Feed on me
You know I'm never far
Feed off me
Like a vulture on a deer
Hit by a car
I can only do so much
And of course its never enough
I don't think that you see
Exactly what you're doing to me
Don't speak
Don't speak
Give me a reason to turn and run
Give me a reason to burn this house down
Give me a reason, I wish you would
I wish you would, wish you would
--
Give me a reason for disaster
And i'll be happy ever after
Give me a reason, I wish you would
I wish you would, wish you would
So you've tried your best
To get out of this mess

But that's just a joke
You've never awoke
To the sound of a mother screaming at night
Don't speak
Don't speak
Give me a reason to turn and run
Give me a reason to burn this house down
Give me a reason, I wish you would
I wish you would, wish you would
--
Give me a reason for disaster
And i'll be happy ever after
Give me a reason, I wish you would
I wish you would, wish you would
I wish you would

Wish you would (x4)
Give me a reason to turn and run
Give me a reason to burn this house down
Give me a reason, I wish you would
I wish you would, wish you would
--
Give me a reason for disaster
And i'll be happy ever after
Give me a reason, to turn and run
I wish you would, I wish you would
