

# Angel On My Shoulder (Extended Edit) [With Tamra]

## Kaskade

It's time you see, the love you give  
Is killing me, and I wanna live  
This isn't right, search your soul for lightSo I turned and left, I told myself  
I could be, as bad as someone else  
But I find it hard, when an angel's on my rightBut you held my hand  
And took me right back down to hell  
I have an angel on my shoulder  
But a devil in my handBut you held my hand  
And took me right back down to hell  
I have an angel on my shoulder  
But a devil in my handWon't you go, no means no  
Your dirty life, is like a one man show  
You're a night attack, you turn the light to blackSo I turned and left, I told myself  
I could be, as bad as someone else  
But I find it hard, when an angel's on my the rightBut you held my hand  
And took me right back down to hell  
I have an angel on my shoulder  
But a devil in my headBut you held my hand  
And took me right back down to hell  
I have an angel on my shoulder  
But a devil in my handTalk to me, walk with me  
Come with me, beautiful lady  
Beautiful lady  
Will you come and save me?  
Come to me (Come back here)  
Walk with me (Come back here)But you held my hand  
And took me right back down to hell  
I have an angel on my shoulder  
But a devil in my hand  
(Come back here)But you held my hand  
And took me right back down to hell  
I have an angel on my shoulder  
But a devil in my hand  
(Come back here, come back here)
