

We All Die Young (Alice In Chains)

Steel Dragon

Risk my soul
Test my life
For my bread
Spend my time
Lost in space

Am I dead? Oh Let the river flow

Through my callused hands
And take me from my own

The eyes of the damned It makes my stomach churn

And it tears my flesh from bone
How it turns our dream to stone
And we all die young Oh tell me I know

I live so afraid
And still we cry alone

With words left unsaid It makes my stomach turn

And it tears my flesh from bone
How it turns this dream to stone
And we all die young

Yeah we all die young Yeah we all die young
Yeah we all die young
Yeah we all die young
Yeah we all die.....young
