

# On an Evening In Roma (Sott'er Celo De Roma)

[Dean Martin](#)

Advisory - the following lyrics contain explicit language:

Como e bella ce la luna brille e strette  
Strette como e tutta bella a passeggiare  
Sotto il cielo di RomaDown each avenue or via, street or strata  
You can see 'em disappearing two by two  
On an evening in RomaDo they take 'em for Espresso  
Yeah, I guess so  
On each lover's arm a girl I wish I knew  
On an evening in RomaThough there's grinning and mandolining  
In sunny Italy  
The beginning has just begun  
When the sun goes downSo, please meet me in the plaza near your casa  
I am only one and that is one too few  
On an evening in RomaDon't know what the country's coming to  
But in Rome do as the Romans do  
Will you?  
On an evening in RomaThough there's grinning and mandolining  
In sunny Italy  
The beginning has just begun  
When the sun goes downComo e bella ce la luna brille e strette  
Strette como e tutta bella a passeggiare  
Sotto il cielo di RomaDon't know what the country's coming to  
But in Rome do as the Romans do  
Will you?  
On an evening in Roma  
Sott'er celo de Roma  
On an evening in Roma
