

To The Hilt

Die Krupps

Woke up - still in a dream
Nothing's the same
Can't pronounce my name
I open my mouth Words come out
That make no sense
For a stranger's ear
In a foreign language
In a foreign land Now I'm an alien
On a different planet
It makes it clear - I understand
We are all strangers - in a foreign land Burn the bridges
Forge ahead
To the hilt Back home I feel insane
Nothing's the same
Except for my name
I open my mouth Words come out
That make no sense
For my lover's ear
In my native language
In my native land I'm still the alien
On a different planet
It makes it clear - I understand
I am a stranger - in my own land
