

What Is Love? (2008 Remastered Album Version)

Howard Jones

I love you whether or not you love me
I love you even if you think that i don't
Sometimes i find you doubt my love for you, but i don't mind
Why should i mind, why should i mind What is love anyway, does anybody love anybody anyway
What is love anyway, does anybody love anybody anyway Can anybody love anyone so much that they will
never fear
Never worry never be sad
The answer is they cannot love this much nobody can
This is why i don't mind you doubting And maybe love is letting people be just what they want to be
The door always must be left unlocked
To love when circumstance may lead someone away from you
And not to spend the time just doubting
