Everybody Move

Kottonmouth Kings

Everybody move now take some action, make some action YEA, take some action
Life is short, THATS WHY WE MAXIN', revolutions got to happen
Everybody move right now right now [X4]
Everybody move right now right now
Till this mother fucking place starts falling down
And everybody grove owe yea owe yea
If your down with the kings throw your hands in the air
And keep em up in the sky if you like to get high
Keep em up in the sky if you feeling the vibe
And represent for your city let me know were you from
I'm yelling out P-town at the top of my LUNGS
Till my last breath ima keep doing my thing
Put it down for the krown and steadily smoking on the green
Like a boxer in the ring mind ya bossiness man
Wanna step on stage with the mic in my hand
So get your ass up come on come on get your ass up
Get your ass up if you don't give a fuck

Cause right now is the time to get washed

And never get caught slipping like a broke dot
In a slipknot that means neck slit
