Left 2 Right

Natural

(All)
Na, na, na, na
Na, na, na, na
Na, na, na, na
Na, na, na, na
(Ben)
It happens every time I see you
Something I just can't explain
My heart stops, skipping a beat
'Cause baby I wanna dance
Every time I see you smiling
I hear music everywhere
My heart stops, skipping a beat
'Cause baby I wanna dance
(J)
Can't you see, what you do
(Marc)
Now I only wanna be with you, oh?
(Chorus)
(Ben/All)
To the left, to the right
This girl is out of sight
I'm going up going down
You make me feel so light
Spinning round and round
So high above the ground
Girl you keep me up all night
You got my heart from left 2 right
(All)
Na, na, na, na
Na, na, na, na
Na, na, na, na
Na, na, na, na
(Ben)
I can picture us together
Moving, grooving to the beat
Kissing, dancing all night long
To my favorite song

(J)
Can't you see, what you do
(Marc)
Now I only wanna be with you, oh?
(Chorus)
(Ben/All)
(Rap)
(Ben)
From left 2 right
(All)
From side to side
(Ben)Up and down
(All)
Round and round
(All)
Oh
(Ben/All)
Can't you see
All the things
That you do
I just wanna be with you
(All)
Na, na, na, na
Na, na, na, na
Na, na, na, na
Na, na, na, na
(Chorus
