

# Let's Go To Vegas

## Faith Hill

Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride Lyin' on the bank of the river  
Stars are dancin', Lord it's hot  
Holdin' you is what I live for  
I just had a crazy thought Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride We'll find a little wedding chapel  
A pair of rings and a preacher too  
Underneath the neon steeple  
We'll take a gamble and say, "I do" Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride Viva Las Vegas, sparklin' lights  
Dangerous livin', tumblin' dice  
You're my ace in the hole now honey and I'm your lady luck  
Pack a few things and a little money and put 'em in the truck Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride Viva Las Vegas, sparklin' lights  
Dangerous livin', tumblin' dice  
You're my ace in the hole now honey and I'm your lady luck  
Pack a few things and a little money and put 'em in the truck Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride  
Bet on love and let it ride  
Bet on love and let it ride
