Summer Is Crazy (Original Long Mix)

Alexia

Music is the key to fall in love
Music is the answer of the world
Music is the power to survive when I feel down
Even if I'm wasting all my time
Trying to get your face out of my mind
The summer takes you back into my heart, into my soulRemember the time when we were spending afternoons
Making love we used to fly on the sun
Recall the days we broke the rules we jumped the wall
You know that I would never lose your loveI'm feeling like a dancing around the world
Open my heart and keep on trying to find your love
I, I can see this passion drift apart
I thought that I would never miss your loveThe summer is crazy ah ha
La la la la
The summer is crazy ah ha
La la la la
The summer is crazy tonight [Repeat x3]
La la la laI keep on thinking how you did me wrong
My love was true and I will never let it go
I need to find a way to save my heart
Cause I know that I will never have your loveThe summer is crazy
