

Mama This One's For You

Beth Hart

For all the things I never said
I'm sorry that I never did
I thank you for your precious time
For teaching me how to climb I love you more than summertime
You've been such a good friend of mine

And it was good
And full of kindness
Every step I took you held my hand
And watched me grow
You'll never know
How much I love you
And I am not afraid, I'm not afraid
I finally grew
Mama this one's for you You always look beyond the dark
You told me joy lives in the heart
And life is what you make of it
Make sure to cherish every bit and
