

Down Home Blues

Z.Z. Hill

She said "Your party's jumpin' and ev'rybody's havin' a
good time

Now you know what's goin' through my mind
Do you mind if I get comfortable and kick of these
shoes

While you're fixin' me a drink
Play me some o' them down home blues"

She say "I don't get out much on the town
And you know I done cut out a lot of that runnin'
around

All week long I've been keepin' my cool
But tonight I'm gonna let my hair down
And get down with these down home blues"

Down home blues (down home blues)
Down home blues (down home blues)
All she wanted to hear was some down home blues
All night long, ev'ry other record or two
She said "Take off those fast records
And let me hear some down home blues"

(Instrumental Break)

She say "You know my ol' man is gonna wanna fight
He calls ev'ry hour I'll be gettin in tonight
But I don't care, tonight I'm gonna do as I choose
I'm gonna lay my head back
And party off these down home blues"

Down home blues (down home blues)
Down home blues (down home blues)
All she wanted to hear was these down home blues
All night long, ev'ry other record or two
She said "I'm gonna lay my head back
And party off these down home blues"

Down home blues (down home blues)
Down home blues (down home blues)
All she wanted to hear was those down home blues

All night long, ev'ry other record or two
She said "I'm gonna lay my head back
And party off these down home blues"

Down home blues (down home blues)
Down home blues (down home blues)
All see wanted to hear was those down home blues
All night long, ev'ry other record or two
She said "I'm gonna lay my head back
And party off these down home blues"

Down home blues (down home blues)
Down home blues (down home blues)
All she wanted to hear was these down home blues
All night long, ev'ry other record or two... FADE
