

Closing Time

Green Day

Closing time, open all the doors
And let you out into the world
Closing time, turn all of the lights
On over every boy and every girl
Closing time, one last call for alcohol
So finish your whiskey or beer
Closing time, you don't have to go home
But you can't stay here
I know who I want to take me home
I know who I want to take me home
Take me home
Closing time, time for you to go out
To the places you will be from
Closing time, this room won't be open
Till your brother's or your sister's come
So gather up your jackets, move it to the exits
I hope you have found a friend
Closing time, every new beginning comes
From some other beginning's end, yeah
I know who I want to take me home
I know who I want to take me home
I know who I want to take me home
Take me home
Closing time, time for you to go out
To the places you will be from
I know who I want to take me home
I know who I want to take me home
Take me home
I know who I want to take me home
I know who I want to take me home
Take me home
Closing time, every new beginning comes
From some other beginning's end
