

My Love

Stealing Love Jones

Your eyes have looked upon many,
Mine have a few
And now I only see you

Your lips have been upon many
Mine have a few
And now I only kiss you

My love is yours, love
I see only you

Runaway with me
Weâ€™ll never see....anybody
Runaway with me
Cos I know that Iâ€™m not right

Your hands have been upon many,
Mine have a few
And now I only touch you
Your words have been upon many
Mine have a few
And now I only speak of you

My love is yours, love
I see only you

Runaway with me
Weâ€™ll never see anybody
Runaway with me
Cos I know that Iâ€™m not right
But how can this be wrong
I know that Iâ€™m not right

My love is your love
My love is your halo

All this time
