What You Want

Zuzu

Go home its cold, parents are out.
Sneak through the porch caught you posing me on the couch.
There's nothing in my mind.
And yet I cant keep up with your TV fueled sex drive.
Call me her name one more time.
And I swear to god I'll eat you alive.
You want to go for a kick about thow down.
Get your shoes on and lets go out.

This is what was supposed to be.
Loveless and carefree.

Tell me what you want me to be.
Because I love you carelessly.

Race to your car "shotgun front seats".
You lost your spot, you lost it to me.
You want to stick em up.
But you're just fighting for the sake of it not for peace or love
And you carved your scar across my face.
Sayin "here is my heart, you're my saving grace"
You're somewhere drawn away... hey.
But I'm saying, I'd love to baby

This is what was supposed to be.
Loveless and carefree.
Tell me what you want me to be.
Because I love you carelessly.

Don't leave tonight otherwise,
my thoughts of you will multiply.
I'll be up all night,
with nothing more than a TV fueled sex drive.
Whether you like it or not you're going to see me a lot
So don't you push me off,
push me off, push me off
Just cause I said that I don't doesn't mean that I wont
So don't you cut me off, cut me off, cut me off

This is what was supposed to be.

Loveless and carefree.
Come on and tell me what you want me to be.
Loveless and carefree.
